

CURRICULUM PROCEDURES REFERENCE MANUAL

Section 8

Electronic Program of Study
(POS) Input

Electronic Program of Study (POS) Input and Colleague Access

Colleges are required to have an approved electronic program of study prior to the implementation of a curriculum program. Programs of study are created, reviewed, and approved in the System Office (SO) CIS/Colleague, then downloaded to a college's local Colleague. The System Office recommends that a minimum of two college staff members be trained in building electronic programs of study in the SO CIS.

For instructions on how to request Colleague access, contact posaccess@nccommunitycolleges.edu.

Please allow at least ten (10) business days for the account to be approved and created.
