MEMORANDUM

TO: Basic Skills Directors, LEIS Coordinators

FROM: Dr. Marlena S. Everett, Director of Performance and Partners, CCR

DATE: April 2, 2020

SUBJECT: CCR Performance Measures During the COVID-19 Crisis

Due to the COVID -19 crisis, the College and Career Readiness (CCR) office recognizes the challenges providers will have in meeting the measurable skill gains (msg) for students during the 2019-2020 program year. For the 2019-2020 program year, CCR will not measure a program's success or failure. There will be no corrective action plans for performance and no progressive discipline actions for performance.

We will monitor the effect of the outbreak on its performance. The baseline for federal funding will be reassessed as part of the evaluation of the pandemic's impact on all state and federal measures.

Thank you all for your patience as we move forward through these unprecedented times.

C: Dr. Kimberly Gold, Senior Vice President, Chief Academic Officer
Gilda Rubio-Festa, Associate Vice President of College and Career Readiness
Nancye Gaj, Assistant State Director of College and Career Readiness
