New Course

State Board Approval Date	Course Id	Course Title	Description	Recommended Hours	Program Area	Tier Level	Contact Person
5/19/2017	NUR 3310	Nursing Education - Remediation	This course is designed for remediation to assist nursing students upon completion of the Associate Degree Nursing (ADN) or Licensed Practical Nursing (LPN) programs. The course targets nursing students who in the final semester of the nursing program are deficient in didactic content, but at the point of deficiency have mastered all other benchmarks for success in the nursing program. Upon successful completion, the student will demonstrate mastery in the identified areas of content deficiency and become eligible to sit for NCLEX.	40	L30 Health Occupations	3	Margaret Robertson
