From: Dr. Lisa Eads
Associate Vice President, Programs

Subject: Curriculum Course Review Committee Course Approvals

Date: January 5, 2022

The Curriculum Course Review Committee (CCRC) has the responsibility for maintaining the curriculum courses in the *Combined Course Library (CCL)*. The approved course requests from the Summer 2021 CCRC meeting, held on May 27, 2021, are attached for your information. *Course revisions may involve the removal of required prerequisites or corequisites. Please note that colleges may add local prerequisites and/or corequisites if they determine a need exists.*

Course Revision Impact to Curriculum Standards

The CCRC approved requests to revise the **course description, prerequisite(s), corequisite(s), and/or class/lab hours** of core courses found on the curriculum standard listed below. Please note that the only change indicated on the printed standard will be the inclusion of the statement “CCRC Revised Electronic Only 5/27/21”, since only the electronic version of the standard in Colleague will be revised.

Program Title	Program Code
Clinical Trials Research Associate	A45190
Medical Product Safety and Pharmacovigilance	A45810
Opticianry	A45560

The State Board of Community Colleges has delegated authority to the Senior Vice President to approve curriculum standard changes involving **core course title and/or credit hour changes** resulting from CCRC action. The standards listed below have been revised as a result of CCRC approved changes to the course title and/or credit hours of a core course.

Program Title	Program Code
Health Information Technology	A45360
Information Technology	A25590
Radiography	A45700
Simulation and Game Development	A25450

The following curriculum standard revision was approved at the July 16, 2021 State Board of Community College meeting for additional action:

Program Title	Program Code
Anesthesia Technology	A45330

Please be aware that you must implement the attached revised courses and standards no later than one year after the effective term. You must update your college's electronic program of study and receive approval from the System Office *prior* to implementation of the revised courses and programs.

Curriculum standards, curriculum courses, and procedures for submitting requests to the CCRC are available on the Academic Programs home page at:
